Overture - Barber of Seville

Overture (from French *ouverture*, lit. "opening") in music was originally the instrumental introduction to a ballet, opera, or oratorio in the 17th century (Temperley 2001). During the early Romantic era, composers such as Beethoven and Mendelssohn composed overtures which were independent, self-existing instrumental, programmatic works that presaged genres such as the symphonic poem.

The Barber of Seville Overture for Band

Gioachino Rossini, Soundtrack: Strange Days. As a son of a horn player and a singer Rossini was taught instruments early in his life. When he was older he went to the conservatory of Bologna for lessons. His first opera was such a big success that a lot of people wanted him to write more pieces. But nevertheless in 1816 his masterpiece "The Barber of Seville" failed although later it received...
