### Check transmitter faults | Help receiving TV and radio - BBC

The 21 March Crystal Palace Freeview retune appears to have broken my YouView (Humax DTR-T2100) box's ability to receive BBC 4 HD.. I had no reception issues before the retune, but it took several manual retunes (aerial disconnected, etc) following the transmitter rejig before the box would find BBC 4 HD and, even then, the signal strength is too wildly variable for the channel to be watchable.
