### **Dolphins, ETs & Angels - Inner Traditions**

The stories in Dolphins, ET's and Angels are intimations that dolphins and whales may possess the ability to attract people together for specific purposes, to effect "sonic interventions" on the physical bodies of fellow cetaceans and humans through ultra sound generation, and to accomplish subtle but effective communication through telepathic connections.

### **Dolphins, ETs & Angels: Adventures Among Spiritual ...**

Dolphins, ETs & Angels was written in the early '80s, but the interesting thing about it is that the information in the book still holds up. And this is saying quite a lot because many of the revelations and predictions in the book were very radical.
