Invisible Orthodontics. Lingual braces treatment - YouTube

A Beverly Hills orthodontist was looking for an invisible tooth-moving method that would appeal to his image-conscious patients. The other in Japan wanted to offer his martial arts patients, who risked injury from facial blows with traditional braces, a safer alternative.

Lingual Braces: An Invisible Way to Move Your Teeth

Lingual braces are similar to traditional braces in that they use brackets and wires. However, lingual braces are considered "invisible" because they're actually attached to the back of your teeth, rather than the front! This makes them ideal for adults who are concerned about the appearance of braces. As with traditional metal braces, patients who opt for lingual braces will need to avoid hard, sticky foods.

Lingual Braces | Columbia & Waterloo, IL | Hentscher ...

Lingual braces are the most invisible braces within orthodontics! They are placed onto the back of your teeth, making them completely invisible on a day to day basis, even when you smile! Just like traditional fixed braces, a lingual brace is worn for anything up to three years for treatment completion. Contrary to popular belief,...

Lingual Braces - Notley Dental care

At Figueroa Orthodontics, we offer state-of-the-art lingual braces designed to provide a truly invisible solution for straightening teeth. Lingual braces attach to the interior, or lingual side of your teeth, so no one will know you are wearing braces.

Fortunately, the In-Ovation® Lingual MTM System provides a third alternative: invisible lingual braces. View from the inside with a mirror (orthodontist view): View from the outside (patient view): The In-Ovation® Lingual MTM System is designed to work in weeks as opposed to years. The twelve main "smiling" teeth are realigned using self ...

In-Ovation L MTM | Orthodontist San Diego | Clear Braces

Aside from being invisible, the biggest benefit of lingual braces over clear aligners, is that you don't have to remember to wear them! Just like traditional braces, they are bonded on (behind!) your teeth, so they are always working to improve your smile. Some patients can commit to wearing aligners all day, some cannot.

Go Invisible! (Lingual Braces & Clear Aligners)

We provide lingual treatment options in addition to clear aligners for a truly customized experience. Give yourself or your child the smile that has always been wanted. Call our New Jersey office on 201-523-9450 today for a consultation.
