Pyp Unit Of Inquiry Report

Summary: Inquiry in the PYP Play, problem-based learning, collaboration, experimentation, and explicit teaching all have a place within well-considered inquiry-based learning experiences. Inquiry is purposeful and authentic. The inquiry process builds capacity through student agency where voice, choice and ownership feature strongly.

Faria International School Sample PYP Report

The PYP curriculum is developed around six organizing trans-disciplinary themes that provide the structure for the Units of Inquiry. These themes identify areas of shared experience that have meaning for individuals of different cultures. As students explore these themes collaboratively, they increase their awareness of and sensitivity to others.

IB PYP / Grade 2 Units of Inquiry

Unit of Inquiry #6 Report *Over the course of the school year, each grade level (1st-5th) will complete six units of inquiry (kindergarten implements only four units). The duration may vary according to student-initiated inquiries, action, and concept-based learning experiences.

PYP Assessment & Reporting - Academic Programmes - PYP ...

The prime objective of assessment in the PYP is to provide feedback on the learning process. Teachers select assessment strategies and design assessment instruments to clearly reflect the particular learning outcomes on which they intend to report (generally the central idea and lines of inquiry from a unit of inquiry).

The Primary Years Programme (PYP) Handbook

The biggest question, when I'm planning an IB PYP unit of inquiry is, at what level is my class in terms of experience and initiative when it comes to inquiry? In other words, which level of student inquiry will I be planning around - structured inquiry, guided inquiry or open inquiry? The...

Pyp Report Card Comments | Teachers Pay Teachers

A well-designed programme of inquiry ensures students gain a balance of subject-specific knowledge, conceptual understandings and skills, alongside opportunities to develop the attributes of the IB learner profile and to take action. Units of inquiry are collaboratively planned, developed and continually modified based on reflection with students.

PYP Resources - POI/UOI

I am delighted to be sharing this inquiry teacher video training series for those of you new to inquiry-based teaching and/or the IB PYP. If you missed video 1 and video 2 on concept-based learning, you can catch up right here by clicking the links.

The PYP Programme of Inquiry The Primary Years Programme is structured around six transdisciplinary themes that are developed into the schools' programme of inquiry (POI); within these themes students are exposed to units of learning that promote inquiry and investigation.

The PYP Programme of Inquiry | KIS International School ...

Kindergarten PYP Units of Inquiry. Kindergarten is an exciting, dynamic place to learn, play and grow! Here we emphasize academic, social, emotional, physical and cultural growth through a foundation of international study and citizenship. Our learners become internationally-educated citizens through a focus on the development of positive attitudes towards self, towards people, towards the environment and towards learning.

Kindergarten / Kindergarten PYP Units of Inquiry

More IB/PYP schools are adopting their report cards to fit the curriculum, but it is not a standard report card. Like most of you, we have each academic subject (Math, Reading, Writing, Science etc) and we give our students a 1-4 scale on each subheading within that report card.

Teaching the PYP: PYP and Report Cards

The PYP culminates in the PYP exhibition: a collaborative, transdisciplinary, in-depth inquiry into real life issues or problems (IBO, 2008) and the means by which the inquiry- based learning which has taken place over the previous PYP years is assessed. The PYP exhibition is used flexibly in the students' final year of the PYP.

The impact of the PYP exhibition on the development of ...

This part of the report card lists the specific PYP Attitudes (appreciation, empathy, commitment, enthusiasm, confidence, independence, cooperation, integrity, creativity, respect, curiosity, tolerance) that were connected to the units of inquiry taught during the term.

Understanding the PYP Report Card-Term2

As well as developing conceptual understanding of materials and their properties, this unit also helps the students to develop their scientific inquiry skills with lots of opportunities to manipulate variables. We're looking forward to seeing the imaginative creations from students in the coming weeks!
