The simple answer is no. ... Now, I'm not saying that we all start walking through this life without giving a damn about anyone else and acting like the biggest douchebags we can think of, but rather, let's take the time to do the things that make us happy rather than being so focused on other people's joy. ... 3 thoughts on " Happiness ...

### Happiness Starts With You - Defining Wonderland

True happiness is out there, but it isn't with someone, it's with something. Now don't get me wrong, relationships do bring happiness, but to an extent. True happiness is something that is permanent, never ever define your happiness over another human being, because you are just setting yourself up for ultimate disappointment.

### Happiness Starts With You, Not Your Relationship | Thought ...

If you scored between 6 and 8, you still can improve on those numbers to get to a 10. Know that no matter where you are on the happiness scale, you still can wake up each morning happy and ready to face the day. In our research, the people who scored the highest on the baseline test generally said they genuinely were happy to wake up in the morning. Whereas the people who scored below average tended to wake up with dread or doubt regarding how their day was going to turn out.

### How to Be Happy: 15 Science Backed Ways To Be Happier Today

Happiness is a state of mind, and a choice. There are bad things that will happen to you, but you have to make the choice to be happy. This is not as easy as it sounds, but if you want to be happy, the first step is deciding that you are going to be happy. THEN you can start pursuing a way to get there. Morning Routine
