The February Man Evolving Consciousness

The cover says the book is the February Man by Erickson and Rossi. However inside, the book title is "Trauma-Centered Group Psychotherapy for Women, A clinician's Manual by Lubin and Johnson. It's a completely different book!!!! I am assuming this was a completely one-off situation and will re order.

Consciousness Evolution Journey - YouTube

Beyond wakefulness and awareness, certain human traits have evolved in the path of consciousness. 1) The evolution of language. Nearly all creatures have language and communication. Human brains, however, have developed areas equipped for complex language. It is perhaps the most recent and big leap in the evolution of consciousness.
