The Making Of Modern Colombia

The Making of Modern Colombia by David Bushnell was a good place to start. It provides a good summary of the history of the country starting from original indigenous people who lived there up until the early 90's (the book was published in 93).

Amazon.com: The Making of Modern Colombia: A Nation in ...

"David Bushnell's The Making of Modern Colombia is a timely, important addition to the historiography of Latin America that will certainly stand as the basic English-language text on that country. As such, it should not only help shape and inform an upcoming generation of students and professional scholars of Colombia, but it should also heighten the awareness and understanding of all in the English-speaking world of this important member of the international community.

The Making of Modern Colombia by David Bushnell ...

It tells the history of Colombia, from pre-Columbian times, up to the modern times. It is a very well-told story, light and refreshing. Although all Colombians who go to school receive history education, this book gives a deeper look at many things that are fundamental to understand why things are the way they are in the present.

Beyond exploring interactions between Buddhists and politicians in Tibet and China, Tuttle offers new insights on the impact of modern ideas of nationalism, race, and religion in East Asia. After the fall of the Qing dynasty in 1911, the Chinese Nationalists, without the traditional religious authority of the Manchu Emperor, promoted nationalism and racial unity in an effort to win support among Tibetans.
